Specialist consulting suites for sale, off the plan, in a brand new medical centre development on the campus of Pindara Private Hospital.

Pindara Specialist Suites is a purpose-built stand-alone building located on the southern side of the Pindara Private Hospital campus & linked to the Hospital via a permanent walkway at ground floor level. The building will have ease of access to the adjoining multistorey carpark & each suite has been allocated 'exclusive use' carparks. Construction has commenced & completion is due December 2010.

This new Medical Centre is part of a major multistage redevelopment of the Pindara Private Hospital campus which will further cement this hospital's position as the premier private hospital serving the central & northern end of the Gold Coast. Stage One of this redevelopment will also incorporate new ward accommodation, four additional operating theatres & a 420 bay multistorey carpark.
